

Telligen FLEX CAH Regional Programs

Locations and Dates	June 28 – Storm Lake, Buena Vista University July 6 – Telligen, West Des Moines July 7 – Ottumwa, Indian Hills Community College	July 21 – Waterloo, Hawkeye Community College August 26 – Atlantic, Cass County Memorial Hospital
Target Audience	CEOs, CNOs, staff nurses, IT staff, managers, utilization review staff, quality improvement professionals and other staff as appropriate	
Purpose	The Telligen CAH QI Regional Program will bring together healthcare professionals in five locations (close to home) across the state to learn about current measure reporting and utilizing data to improve patient care. Best practices and knowledge will be shared and attendees will have the opportunity to network.	

Time	Topic and Speaker	Presentation Purpose
8:30 – 9:00 a.m.	Registration	
9:00 – 9:10 a.m.	Welcome Comments	
9:10 – 9:45 a.m.	Marlene Hodges FLEX HIT Updates	This session will provide education on the importance of understanding the processes of clinical quality data reporting, cross-training staff and documenting the processes. Best practices, tools and reference materials will be shared along with the focus of using clinical quality data to drive improvement, and the importance of staff roles in healthcare quality.
9:45 – 10:15 a.m.	Sandy Swallow EHR Incentive Programs: Where We Go Next	This session will focus on the 2016 updates to PQRS, EHR Incentive and Value-Modifier Programs with tips to help you be successful. High level information will be shared on the recently released NPRM for MACRA Quality Payment Program, QPP, and how it relates to CAH.
10:15 – 10:30 a.m.	Networking Break	
10:30 – 11:30 a.m.	Mary Beth Sorensen and Barbara Wilke MBQIP Reporting and Quality Improvement	Using MBQIP quality data available, discuss opportunities for improvement, share best practices and brainstorm interventions for barriers to reporting.
11:30 a.m. – 12:00 p.m.	Mary Beth Sorensen Stakeholder Reports	This session is an opportunity for stakeholders to share current information about their activities.
12:00 – 1:00 p.m.	Lunch – On Your Own	
1:00 – 2:15 p.m.	Jennifer Brockman and Jennifer Creekmur HEN Metrics and Measures	IHC staff will discuss the impact of the work of Iowa hospitals in influencing patient safety initiatives across the state. Focusing on leadership, patient engagement and continuous quality improvement learn about ways in which Iowa hospitals have successfully embarked on a journey toward fostering a culture of safety across the board and how these efforts can be sustained moving forward.
2:15 – 2:30 p.m.	Networking Break	
2:30 – 3:30 p.m.	Jennifer Brockman and Jennifer Creekmur HEN Metrics and Measures Continued	See 1:00 p.m. session
3:30 p.m.	Wrap Up and Evaluation	

This workshop is made possible by the Iowa Department of Public Health, Office of Rural Health Flex Program, through a grant from the Federal Office of Rural Health Policy Resources and Services Administration, Public Health Services, U.S. Department of Health and Human Services
