A message to the parents...

Limited funding was made possible through an appropriation by the Iowa Legislature during the last legislative session. The intent of this funding is to provide payment for hearing aids and/or audiological services for children who otherwise would not be able to afford these services. We ask that you only apply for this program if the needed hearing aids and/or audiological services are not fully covered by another source and would produce an undue financial hardship for your family. Your consideration will ensure that the greatest number of children will be served by this funding. For a list of eligible audiological services, please review the Frequently Asked Questions link at: http://www.idph.state.ia.us/iaehdi/common/pdf/faq_funding.pdf.

My signature indicates that I agree that the information contained in this application is accurate and may be shared with the hearing aid or audiological services provider listed in this application for the purposes of payment.
