Re: Designation of Carbapenem-resistant Enterobacteriaceae (CRE) infection or  
colonization in Iowa residents as temporarily reportable  
Date Issued: December 31, 2021

---

Pursuant to 641 Iowa Administrative Code 1.3 (139A), I, as the director of the Iowa Department of Public Health, temporarily designate confirmed or suspected cases of Carbapenem-Resistant Enterobacteriaceae infection or colonization as a reportable disease in Iowa. This designation will begin on December 31, 2021 and remain in place until December 31, 2022.

All Iowa health care providers and public, private, and hospital laboratories are required to report in three days any suspected or confirmed cases of Carbapenem-Resistant Enterobacteriaceae infection or colonization to the department by phone (1-800-362-2736) or electronically through the Iowa Disease Surveillance System (IDSS).
